TrueNet ®
Keystone UK Style Faceplate

Issue 1

As a part of the work area solution products from ADC KRONE's TrueNet® structured cabling system, ADC KRONE offers a variety of traditional faceplates to provide the basis for a wide range of possible information outlet combinations. ADC KRONE can provide the density for the most demanding installation. The TrueNet Workstation faceplates accept any combination of ADC KRONE's keystone modular jacks and connectors. The labelling system provides a versatile and highly visible information outlet system.

Features:

• Available in 1 Port and 2 Port
• Fits onto standard back box
• Standard 85 mm X 85 mm size
• Spring loaded shutter to prevent dust entry
• Includes paper labels and clear plastic protectors
• UL 1863 listed
