

# ADC Structured Cabling Solutions

## Keystone UK Style Faceplate

Issue 2

As a part of the work area solution products from the ADC Structured Cabling Solutions Portfolio, ADC offers a variety of traditional faceplates to provide the basis for a wide range of possible information outlet combinations. ADC can provide the density for the most demanding installation. ADC's Workstation faceplates accept any combination of ADC's keystone modular jacks and connectors. The labelling system provides a versatile and highly visible information outlet system.

### Features:

- Available in 1 Port and 2 Port
- Fits onto standard back box
- Standard 85 mm X 85 mm size
- Spring loaded shutter to prevent dust entry
- Includes paper labels and clear plastic protectors
